

Special Introductory First Visit

Discover a new effective and affordable way to improve and maintain your health.

This is your time to focus on you and allow our expert team to relieve your discomfort by pinpointing and realigning misaligned spinal bones and reducing muscle tension.

Print this page and bring it in on your first visit to save \$10 off the regular first visit cost.

Fine Print: Offer valid for new patients only and may not be combined with other promotions. No cash value. Results may vary. This offer may not apply for Medicare eligible patients. Contact the location you are visiting for hours and offer details.
